Hawaii Four-Island Tour

2010 Proposed Itinerary

Anticipation is only a fraction of the fun as you fly westward to the Islands; a truly unique assortment of sights, smells, sounds, tastes, and activities lay ahead for you to enjoy in Hawaii! Unique culture and natural beauty are abundant and diverse on the Islands—a perfect blend that makes for an extraordinary vacation experience. You'll fall in love with the special history and colorful cultural flair unique to the Hawaiian Islands, all the while enjoying modern conveniences to cater to your pampered side. You'll never want to leave paradise! You don't have to wander far to discover great cuisine, fabulous beaches, exciting nightlife activities, exceptional shopping opportunities, and captivating cultural sites. Whether you're looking to relax, unwind, and take in the Island highlights at a leisurely pace or hoping to fill your days with non-stop action and ambitious activities, Hawaii has exactly what you're looking for!

Tour guests arriving in Hawaii who have made their airline arrangements with YMT Vacations, please meet your YMT representative in baggage claims for meet and greet services, a warm Aloha welcome with a beautiful flower lei, and transfers to the hotel. All guests will have a local representative to assist you throughout your stay in Waikiki; as you travel from island to island, a local representative will be on hand to greet and assist you, as well. Over the next fifteen days, let the infectious "Aloha Spirit" of the 50th state strike all of your senses and resonate through your mind, body, and soul. Paradise awaits!

Days 1–5 (Monday-Friday or Thursday-Monday): Oahu Ohana Waikiki West (or similar accommodations)

Truly the perfect place to begin your Hawaiian vacation, Oahu is known as the "Gathering Island." Enjoy a fully guided tour of Honolulu to help you get acquainted with the colorful history and tradition of Hawaii, including King Kamehameha's Statue, the Iolani Palace, Kawaiaha'o Church, and the Punchbowl Crater. The highlight of your stay in Waikiki, however, may well be the Pearl Harbor Tour where you will pay silent tribute to our departed heroes at the USS Arizona Memorial. According to your vacation wishes, you may decide to take a Hula lesson or two on the seemingly endless beaches along Oahu or head into the city to experience the art galleries, museums, exhibits, cutting-edge cuisine, and exciting nightlife unique to the Islands.

Days 6-9 (Saturday-Tuesday or Tuesday-Friday): Hawaii

Day 6-8 (Saturday-Monday or Tuesday-Thursday): Kona, Hawaii Kona Seaside (or similar accommodations)

Day 9 (Tuesday or Friday): Hilo, Hawaii Hilo Seaside (or similar accommodations)

The natives are prone to brag that the Kona Coast enjoys 354 days of sunshine a year, historically making it the perfect locale for Hawaiian royalty, including King Kamehameha, to call home and a perfect place to explore and enjoy! En route to Hilo, you will ascend the rugged countryside to Volcanoes National Park and continue on to the Kilauea Crater and the Halemau-mau Firepit, the home of legendary Fire Goddess, Pele. A breath-taking sight! You'll thrill as you enjoy a day in and around Hilo, located at the feet of Mauna Kea, the tallest volcano in the world; Mauna Loa, the most voluminous volcano in the world; and Kilauea, the world's most active volcano. You'll see Rainbow Falls, an 80 foot cascade that drops over a deep cave that legend names as home to Maui's demigod Hina. You will enjoy a chance to visit a giant fern tree forest, the famous Black Sand Beaches at Punalu'u, as well as witness the 50+ humungous banyan trees bedecked in orchids, ferns, and dangling aerial roots on Banyan Tree Drive, planted by visiting dignitaries such as Amelia Earhart, Franklin Delano Roosevelt, and Babe Ruth some 60-70 years ago.

Days 10-11 (Wednesday-Thursday or Saturday-Sunday): Maui Maui Beach (or similar accommodations)

Hawaiian folklore mentions the Haleakala volcano on the island of Maui as the location where the demigod Maui once held the sun captive in a crater in order to force it to lengthen the day by slowing its speedy journey across the sky. Known as the "Valley Isle," this majestic island has three main peaks more than a mile high, thousands of breathtakingly beautiful waterfalls and pools, 120 miles of shoreline, and more than 80 golden beaches—not to mention endless summer weather! During your stay on Maui, you'll visit Iao Valley and see the lush tropical foliage surrounding the Iao Needle, a rock formation rising over 2,000 feet from the valley floor. You'll also get the opportunity to explore the village of Lahaina, the picturesque old whaling capital of the Pacific, marked by its unique blend of 1800s New England and South Seas influences still around in modern day. A sightseeing highlight! At your leisure, take time to relax along the perfect beaches, explore the thrilling heights of the Haleakala crater, discover more delectable cuisine, or pamper yourself at a fabulous spa; Maui truly has it all, from the sophisticated edge in culture and fine taste to natural, raw, and energetic activities and exploration opportunities!

Days 12-14 (Friday-Sunday or Monday-Wednesday): Kauai Kauai Beach Makaiwa (or similar accommodations)

About twenty minutes by air from Honolulu, Kauai is the oldest of the main Hawaiian Islands. This tropical island paradise is known as the "Garden Isle" because of its daily rainbows, lush forests, majestic mountains, emerald valleys, and breathtaking beaches covered with palm trees swaying in the breeze. It's no wonder that an impressive list of Hollywood productions have used this emerald island as a setting, including Jurassic Park, South Pacific, and Fantasy Island. During your stay on Kauai, you'll experience nature at its best with a cruise up the captivating and beautiful Wailua River through the land of the "Menehunes," Hawaii's version of the Little People, to Fern Grotto (if weather permits a visit). At your leisure, you may decide to take a trip to see the massive Waimea Canyon, the "Grand Canyon of the Pacific," or take a boat ride along the Napali Coast to marvel at the lush green cliffs plunging into deep, narrow valleys. Here the "romance of the Islands" will overwhelm you; you'll feel the true Hawaiian spirit and you'll know why this incredibly beautiful tropical island is known as the "Garden Isle."

Day 15 (Monday or Thursday): Depart for Home

After a bittersweet farewell to the Islands, you're on your way home with a multitude of memories from paradise. Aloha! *Please note: due to several factors, including the need to route from the outer islands to Honolulu at the end of the tour, the available flight times for the Mainland, and the time zone changes, passengers should expect to arrive to their final destination the next day.*

----- ~ THIS IS YOUR CONTRACT PLEASE READ IT CAREFULLY ~
