## Here's the Latest:

### **Ditch your bank credit card.**

Save big with SECU!

Rising interest rates, reduced credit lines and big fat fees — that is all a Big Bank card can offer you these days. We say ditch that bank card now. Start saving big by transferring your current credit card balances to your low-rate SECU Visa credit card. Simply visit our Credit Cards page and look for the Balance Transfer Request link.

If you don't have a SECU Visa, now is the time to get one. SECU offers many rewards like no annual fees, no balance transfer fees, low fixed -rates and ScoreCard Bonus Point Rewards.

### **Transfer your high-rate balance to your SECU Visa today.**
